

What I like is going shopping with my
Dad because he get ^{me} what you want.
~~So~~ I like to go to Whakatane with my
dad to get me some new thing for school
but I like to go in to the shoe part
because I get to get a pair of shoe.
I am a daddy's girl, I am so lucky to
be a daddy's girl but he does not
forget about my sisters and ~~bro~~ brothers
that for sure when we go out to
get the things that my mum want for
mother day I allway go with my dad
because he allway go to whakatane
to get the thing and I allway
get ~~me~~ something. I like to go shopping.
And I like to go walking ~~up~~ the
steep streets with my mate and get up
to no good. And I like doing my P.P.P.
and I enjoy it very much. And I
like getting the letter back ~~to~~ from
you. I am so happy that I am
a part of P.P.P. You are bomb to
the max that right.
